Thanks! Can you bring a copy of the most recent UIC letter to the meeting at 5 with Jared?

Is Gretchen going to be there?

Mike, David and Jane,

This draft is being sent to the Agency for final review and editing and will be sent on to your public affairs staff soon – not sure how to define soon, but late today or early tomorrow. This is a draft and Agency could make changes. I just wanted you to have a heads up to see the flavor of what we are thinking about saying on Friday. The plan is to issue this press release immediately following the meeting with industry, 9:30-11 on Friday.

Please let me know if you have any concerns.

Thanks for working with us on this.

Steve
